

“Thy mercy, O Lord, is in the heavens and thy faithfulness reaches unto the clouds.” Ps. 36:5
“If Christ shall make you free, you will be free indeed.” John 8:36 January 2005 Update

Dear Praying and Supporting Friends, www.questaircraft.com
See the website video of the first Kodiak flight out of a grass airstrip. Click 'About Quest' then Certification. For Partners, the user name is kodiak and password is firstflight.

Let's make this little guy our Kodiak mascot for the time being or perhaps even until the first Kodiak actually lands in his village out in PNG to take him to school, out for medical help or perhaps as a Bible translator to work on the first new Bible in his language.

New Tribes Mission has 800 missionaries working in PNG (Papua New Guinea) who are totally dependent on air support. Neither they nor JAARS can get avgas for their older piston engine planes. Together we are right now raising money for the second New Tribes Mission Kodiak.

This little guy needs to hear the Good News that, “You can know the Truth and the Truth will make you free.” Free from what you ask? Only anthropologists and fools say the “natives” are peaceful and better off in their undisturbed culture. They have never been forced to live there, never heard the death wails in the night, never seen the superstition and terror in their eyes when things go wrong in their spirit world, never lived in their poverty, disease or suffering, never experienced the savagery of paganism or genocide. I've been there, experienced all of the above, sat with them around their fires night after night in total animistic cultures and had the joy of preaching the peace and love of God to people who had never once heard there was a loving Savior. *That's why we are doing this...*

We are commissioned to go bring hope to the captive, sight to the blind and salvation to the lost. They are not “born free” but born in bondage, poverty, misery and hardships of the worst kind. Only the Trust of God's word can set them free. They too are born to be free... *and we can help!*

The Northwest Christian Community Foundation has now completed their office move to the new address below. Their new policy is to acknowledge gifts with tax-exempt information in late June and December only. NCCF will continue sending faxed copies of your checks to us. We hope this works for you.

Please be part of this exciting effort with your gifts:
Payable to: NCCF / Quest Aircraft Charitable Fund

Northwest Christian Community Foundation

They can also process gifts of stock

The Next Open House Date is April 14.

You can be part of
something very significant
with your generous
gifts.
Thank You!

Together in Christ,

For the Quest Team

The Kodiak too was “Born to be Wild and Free.”

The good news is that the Kodiak is flying and performing amazingly well. Even standing still and dressed in its primer paint, it looks beautiful, but in the air, it comes alive! ***The Kodiaks are coming.*** For years there have been only “Beavers in the Bush.” Soon a more powerful and rugged beast will reign supreme in the wild. The raw savage power of this Bear is born to be wild, free *and tamed*. In the hands of a competent missionary pilot, it will respond like a kitten to bring freedom to many others - ***freedom in Christ.***

This is what we have ~ This is what we need

The bad news is that we are not free to expand our building to manufacture Kodiaks. Until we have adequate funding we are prioritizing our resources to assure FAA Certification is not delayed, but we must have a manufacturing facility because only aggressive commercial sales will enable us to supply Kodiaks to Mission organizations.

...Will you help make that happen? We need you!

Many have freely and sacrificially joined us in this exciting adventure. We pray God will free you to help assure the success of this God given Quest miracle. God will not fail us, but like Queen Esther, -who will volunteer to be chosen and blest this time? **“...Here am I, ... send me...”**

Please join us and RSVP if you can come.
