Why: The Kodiak has now flown over 380 hours since October 16, 2004 and to date is meeting our design expectations.
We launched commercial sales in May with a very positive response. 12 mission groups also have multiple Kodiaks on order.
We anticipate FAA Certification and production beginning this summer. --Just 4-5 months away...

Who: You and your friends are invited to come and be part of what God is doing to establish this amazing and crucial endeavor that will expand God's Kingdom through missions world-wide and mission-wide for many decades to come.

Please let us know if you're coming
